

# Hot & Cool: Bridging Gaps in Massive Star Evolution

[hotandcool@ipac.caltech.edu](mailto:hotandcool@ipac.caltech.edu)

## Major Topics

- \* Evolutionary Connections
- \* Late and End Phases
- \* Atmospheres
- \* Mass Loss
- \* Interacting Winds and Circumstellar Environments

### Science Organizing Committee

P. Bennett	St. Marys Univ
G. Koenigsberger	UNAM
C. Leitherer (chair)	STScI
J. Van Loon	Keele Univ.
P. Massey	Lowell Observ.
J. Monnier	Univ. Michigan
P. Morris	Caltech/NHSC
S. Owocki	Univ. Delaware
N. Smith	Cal/Berkeley

### Local Organizing Committee

A. Boogert	NHSC
S. Van Dyk	SSC
W. Latter	NHSC
A. McCrary	NHSC
M.E. McElveney	NHSC
P. Morris (chair)	NHSC
H. Mycroft	IPAC/JPL
R. Scholey	IPAC
S. Stolovy	SSC

### Invited Speakers:

P. Bennett (St. Mary's Univ.), I. Cherchneff (ETH Zurich), C. Crowley (Trinity College), B. Davies (U. Leeds), G. Harper (Univ. of Colorado), A. Heger (Univ. of Minnesota), J. Hillier (U. Pittsburgh), R. Hirschi (Keele Univ.), R. Humphreys (Univ. Minnesota), C. Kemper (Univ. of Manchester), G. Koenigsberger (UNAM), N. Langer (Utrecht Univ.), C. Leitherer (STScI), D. Leonard (UC Santa Cruz), E. Levesque (Univ. of Hawaii), J. van Loon (Keele Univ.), P. Massey (Lowell), J. Monnier (Univ. of Michigan), P. Morris (Caltech), S. Owocki (Univ. of Delaware), B. Plez (Univ. of Montpellier), N. Smith (Berkeley), R. Waters (U. Amsterdam)
